Wabakimi Canoe Maps Retail Sales Mail Order Form

The Wabakimi Project is a not-for-profit volunteer effort dedicated to mapping the canoe routes of Wabakimi Provincial Park including those that lie on the Crown lands adjacent to the park and in nearby provincial parks and conservation reserves. These maps will hopefully encourage tourism and help visitors to plan and mount canoe trips in the Wabakimi area. Proceeds from their sale will be used to underwrite continued exploration of canoe routes in the Wabakimi area and to patrol those routes already established.

For more information about these maps, visit www.wabakimi.org or email maps@wabakimi.org.
