The Wabakimi Canoe Routes Guide is a first! Authored by experienced canoeist and mapmaker Laurence Mills (wabakimimaps.com) working with the Friends of Wabakimi, this guide covers essential information and highlights the best known routes in this huge area.

Our attractive large Planning Map was developed by “Uncle” Phil Cotton working with a Thunder Bay cartographer. This large 36” x 36” map shows all the known canoe routes surrounding Wabakimi Provincial Park, including smaller parks (Brightsand, Kopka, Albany), conservation reserves and Crown land forests.

(There’s also a reduced members price for our detailed Canoe Route Map Volumes.)
